

REMARKS

The remarks presented herein are in response to the Office Action dated January 10, 2007. Restriction is required under 35 U.S.C. 121 between Group I (Claims 1-12 and 27-37), and Group II (Claims 13-21 and 38-44) and Group III (Claims 22-26 and 45-49).

Applicant elects, without traverse, to prosecute in this patent application the subject matter of Group II (claims 13-21 and 38-44). The Applicant cancels, without prejudice, Group I (claims 1-12, and 27-37), and Group III (claims 22-26 and 45-49). Applicant reserves the right to introduce the subject matter of claims 1-12, 27-37, 22-26 and 45-49 in this or a separate continuation or divisional application.

On the basis of the above amendments, consideration of this application and the early allowance of all claims herein are requested.

Should the Examiner wish to discuss the above amendments and remarks, or if the Examiner believes that for any reason direct contact with Applicant's representative would help to advance the prosecution of this case, the Examiner is invited to telephone the undersigned at the number given below.

Respectfully submitted,
JI ZHANG et al.
